About Us

TTK Coffee Export

Founded in Ethiopia's rich coffee-growing highlands, TTK Coffee Export is dedicated to sharing the world's finest coffee with global markets. We work directly with local

series with great market. We work directly with local farmers to source premium Arabica beans grown under ideal climate conditions at high altitudes.

Our passion is rooted in preserving the authenticity of Ethiopian coffee while meeting international quality standards. From careful harvesting to meticulous processing, we ensure every bean reflects Ethiopia's heritage, flavor, and craftsmanship.

We are committed to:

- **Quality**– Selecting only the finest hand-picked beans.
